

CALLING ALL YOUTH OF HARVEST FELLOWSHIP COMMUNITY CHURCH

*We are getting ready to be challenged and encouraged as we study and grow in the word of God together. The goal of the ministry is to form a stronger unity as youth in Jesus Christ so that we can take a stand for the One who gave His life for us. We will be reading and studying Pastor John Piper's book, *Don't waste your life*. It's easy to slip through life without taking any risks-without making your life count. But life ought not to be wasted. You don't need to know a lot of things to make a lasting difference in the world, but you do have to know the few, great, unchanging, and glorious things that matter and be willing to live and to die for them.*

Book information: *John Piper's plea to a generation is, "Don't waste your life!" This book is a passionate call to make your life count for eternity. He acknowledges that there are risks for those who seek to make a lasting difference by faith, yet he believes that there are risks worth taking for the cause of the Gospel.*
